* Fees imposed by the paying bank may also be assessed on international collection items.

** For all transaction accounts the monthly dormant fee is \$8.00 per account. An account is considered dormant if there is no customer initiated activity in your checking account for 365 days or 730 days in your savings or money market account. Activity in one account you own will keep all owned accounts active. Goalsetter Savings are excluded from dormant fees.

*** A Returned Mail fee is a one-time fee assessed to your account if we receive returned mail from your last known mailing address. To prevent this fee please ensure your mailing address for your account is current.
